

Project Updates

We are thrilled to share the latest updates on the Pineywoods CCS Hub. Our team continues working to ensure the project’s success and positive impact on the community.

To add to our outreach in the community, we’re welcoming Skip Young to the team as a Community Liaison supporting the Pineywoods CCS Hub alongside Dale Nadeau. With four decades of experience in law enforcement, Skip brings deep community knowledge and a strong commitment to public service.

He began his career as a motorcycle officer with the La Porte Police Department and other agencies, later retiring as a lieutenant with the Leon County Sheriff’s Department. His dedication after retirement continued as he served as a School Resource Officer with Goose Creek Consolidated ISD and worked with the Liberty County Precinct 2 Constable’s Office.

Skip has also been an active community leader, serving on numerous boards, including the Jewett and Marquez Chambers of Commerce and Jewett Crime Stoppers. He founded Leon County Crime Stopper and served on its board, further demonstrating his passion for safety and civic engagement.

In his free time, Skip enjoys spending time with his family and especially cherishes time with his granddaughters.

Please join us in welcoming Skip to the team! Skip Can be reached at:

community@pineywoodscs.com

Recent Community Engagement

Our recent engagements include:

- Meeting with Harris County Precinct 2 representatives under Adrian Garcia to align on expectations and ensure cohesive planning for the city of Houston.

- Presenting at a Liberty County Commissioners Court meeting to provide project updates, discuss the economic impact report and address commissioners’ questions.

We believe in the power of community and are committed to making a positive impact in every project county. If you know of opportunities that align with our values, we’d love to collaborate. Recently, we’ve supported local initiatives through donations to:

- Tri-County Behavioral Healthcare: Supporting mental health and well-being in the Liberty County community.
- American Red Cross Southeast & Deep East Texas | Texas Gulf Coast Region: Aiding in disaster relief and emergency assistance.

CCS 101

Curious about how carbon capture and storage (CCS) works? Our CCS 101 guide breaks down the fundamentals, from how CO₂ is captured to its safe, long-term storage underground. Explore the science, benefits, and why CCS is a key solution for reducing emissions and supporting a sustainable future. Learn more in a quick video, [here](#).

Visit Us

Remember, our Liberty County office is located at:

1919 Trinity Street
Suite B
Liberty, TX 77575

Office Hours:

Tuesdays: 1:00 – 3:00 pm
Thursdays: 10:00 am – 12:00 pm

We welcome you to visit us for any inquiries or further information. Stay tuned for more updates as we progress with the Pineywoods CCS Hub. Thank you for your continued support!
